CompTIA CySA+ Registration (Core)

Learning Objectives:

- Identify the process for registering for the CompTIA CySA+ certification exam.
- Complete registration for the CompTIA CySA+ certification exam.

Congratulations

Congratulations! You're six weeks into the CyberSecurity program and you're doing great!

The next step is to get registered for CompTIA's Cybersecurity Analyst (CySA+) certification exam. This certification is an industry-wide credential that shows that you are a security professional who is ready for a career monitoring and mitigating cybersecurity events and incidents.

About the CompTIA CySA+ Exam

This 85-question exam takes up to 165 minutes and will verify (your) tasks comply to IT regulatory standards that affect (your) daily work. With the end goal of proactively defending and continuously improving the security of an organization, CySA+ will verify the successful candidate has the knowledge and skills required to:

- Leverage intelligence and threat detection techniques
- Analyze and interpret data
- Identify and address vulnerabilities
- Suggest preventative measures
- Effectively respond to and recover from incidents. (*Certification CySA+ / CompTIA, 2021*)

Key Point

To complete this assignment, you will need the CompTIA CySA+ exam voucher code provided by your instructor or Student Experience Manager (SEM). This is the second voucher you have received in the program, and upon completing this assignment, you should be registered for the following CompTIA exams:

1. Security+
2. CySA+

As a reminder, you should expect to attempt the Security+ and CySA+ exams within 90 days of graduating from Coding Dojo's CyberSecurity program. If you have any questions about this process, please reach out to your SEM.

Registering for the Exam

This assignment requires you to register for the CompTIA CySA+ certification exam by doing the following:

1. Completing a minimum of 90% of all assignments prior to this assignment.
2. Attending a minimum of 80% of class sessions prior to this assignment.
3. Requesting a voucher from your instructor, if you have not yet received one.
4. Enter your email address and password and click **Sign in** on [CompTIA's sign-in page](#) if you have an existing account, then skip to step #6 below.
5. If you do not have a CompTIA account, complete the following instructions before proceeding to step #6.
 1. Creating an account by:
 1. Entering your email address
 2. Requesting and entering verification code
 3. Enter your first and last name
 4. Creating a password
 5. Agreeing to CompTIA's privacy policy and terms and conditions
6. Clicking **Schedule Now**.
7. Completing the **Schedule Exam** information form.
8. Click **CompTIA CySA+ Certification Exam** in the list of exams.
9. Click **CS0-002 CompTIA Cybersecurity Analyst Certification Exam**.
10. Click **OnVUE Online at my home or office**.
11. Proceed through the prompts and select a test date. (Note: your test date must be **no more than 90 days post-graduation** from the

CyberSecurity program. If you're unsure of that date, please reach out to your instructor or student experience manager.)

12. Book your exam and click **Proceed to Checkout**.

13. Enter your voucher code. (See screenshot below.)

14. Click **Apply**.

15. Click **Next**.

16. Review to confirm your exam and voucher details.

17. Click **Submit**.

Required information is marked with an asterisk (*). Enter information on this page in the single byte alphanumeric characters.

To complete this assignment, take, save, and upload a screenshot of the confirmation email you receive. Be sure that the screenshot includes your registered exam date and time.

Additional Information About the Exam

- We recommend watching [Taking Your CompTIA Exam](#) before your scheduled appointment time.

- If you do not receive a confirmation email within 24 hours of registering, contact the Test Service Provider.
- If you must reschedule the exam, you must do so *a minimum of 24 hours prior to your scheduled appointment time*.
- Rescheduling your exam *less than 24 hours prior* to your scheduled appointment time or failure to appear for your appointment will result in the forfeiture of your exam voucher/fee.
- Program tuition includes the cost of one voucher per student per exam.
- Exam vouchers expire one (1) year from date of purchase.
